Monica Mazzei, a Certified Family Law Specialist and partner with Sideman & Bancroft LLP, represents clients in the Bay Area in complicated family law legal matters. With nearly two decades of family law experience representing high-net-worth clients, Ms. Mazzei now serves as a mediator to resolve high-net-worth family law disputes discreetly and efficiently. "Mediation brings both parties together in a non-confrontational setting to discuss difficult topics, allowing me to identify their thoughts and concerns to create a financial structure that works for all," she says. "My approach is modern, but the benefit is that it addresses my clients' various related and unrelated family law needs."
